Leisure facilities	Lovely grounds and 3 swimming pools, children's play area and outdoor exercise area.
Nearest amenities	There are local cafes and restaurants located within the complex and a supermarket that is open every day. Vilamoura Marina is walk-able and takes around 15 minute from the property and there is a also a very good local transport service that passes by close to this development. Due to the size of the resort area it offers the visitor nearly every form of sport and entertainment, and Vilamoura Falesia beach has miles of golden sandy beach. There are many attractions and facilities within Vilamoura and there are 5 world class golf courses, a beautiful Marina with fishing and leisure cruises, boat and jet ski hire, there is also a Lawn Bowling Club, a Tennis Center, Browns Sports & Leisure Club, a Family Golf Park and an excellent Riding School, as well as an array of cafes, bars restaurants, nightclubs and an International Casino. Situated on the west side of the Marina there is a preserved Roman Site and Museum of Cerro da Vila providing an interesting glimpse into the past history of the area. In Roman times this location was important in producing a fish paste

known as "garum". The ruins also include the baths in which the mariners used to bathe.

The neighboring town of Quarteira was once upon a time small a fishing village (with a daily fishing market) that has since the 1960s blossomed into a bustling town, with the most colorful gypsy market every Wednesday morning which is great for gifts. Also just under 10 minutes drive away is the Aquashow water and theme park which is excellent for all ages.

Distance from Airport

The nearest airport is Faro which is approximately 30 minutes drive. Car hire is not necessary and we are able to arrange airport transfers if you do not wish to drive from the airport.

Distance from Beach

Both the Vilamoura and Quarteira beaches are fantastic with their lengthy promenades and beautiful golden sand. On one side of the Marina entrance is the Falesia Beach extending for several miles westward, and on the other is the Marina beach which stretches eastward to meet with the Quarteira beach. It is approximately a 5 minute drive to both the Marina and Falesia beaches, walking would take around 25 minuets from the Old Village.
